[Special safes according to customer requirements]

In addition to our standard range, Wertheim offers special solutions.

[Designer safes]

Exclusive painting, unique artist designs, special internal wood equipment, etc. Wertheim makes every effort to satisfy all customer requests and requirements.

[Special safes]

Bespoke solutions for financial institutions or individual safes for stores in various business sectors supplement the standard Wertheim range.

As an expert for special solutions, Wertheim takes great care in satisfying the specific needs of its customers. System solutions are often developed in close cooperation with clients. Whether it is special dimensions, special user-friendly internal configurations or customer-specific locking systems – the Wertheim technical team is able to create special safes to meet different customer requirements.

For more information please ask for our special documentation or arrange a meeting with our sales team.
